Francis, I changed my pen  
and changed the ink, and  
I started to write a  
letter to you - under  
my pen is needed.  
  
In the meantime, I thought  
I should let you know that  
I am in a much better  
state of health.  
  
For the last few days I felt  
a sudden weakness -  
and a great stress in my  
heart.  
  
(Please pen me)
