I started to write a
letter to you - under
my pen is needed.

The days seem to be
in the dark, I am
not happy.

For the last time I put
a letter to you -
and a new one in my
hand.

Meher Baba Australia

The first time I saw Meher Baba in person was in 1952. He was in a white dress and was standing on a stage. I was very young and I was very excited. I had heard that he was a great man and I wanted to see him. I was very lucky to see him. He was very kind and very gentle. I was very happy to see him. He was very beautiful and very wise.
