

Meharazad
2nd November '72

My dear Francis,

You are well-come
to Meharazad! We look forward
to receive you at Meharazad
with open arms!! We are so
very happy that you have
decided to come at last.

Nariman has already
written to you in reply to
your letter.

The Fourth Amartithi
of Beloved Baha will be a very
quiet affair next January 31, 1973.
In view of acute water shortage

and wide-spread famine due
to failure of monsoon this
year, it will not be possible
to make arrangements for
over-night stay of Meher Pilgrims
at Lower or Upper Meherabad
as in the past on 30th, 31st
January 1973. Water for drinking
purposes only will be made available
for such a large number with the
help of Sarosh procuring water-tanks
from the Government. On 5th of this
month, Meeting for holding Amartithi
will be held and Sunder-Padri-
Adi-Sarosh-Rangule-Bhagarath-
etc., will discuss the water situation
and programme. This will help them
to make "preliminary decision" and
act accordingly. Who knows Baha

may want it otherwise and may surprise us by sending us plenty of rainfall — in which case a different view will have to be taken for holding the 4th Amar Tithi. This is just for your personal information.

Thank you very lovingly for your beautiful Greetings and Birthday wishes. Balu keeps us so very busy with different things to be handled tactfully but firmly. The good young days with Beloved Balu are very often remembered and how we miss His man-form!

Mani sends you her loving thanks for remembering to get a copy of the tape made for her. I shared your letters with her and all Meherized Mandali including Rano-Gohar - Bhonukhadke. All join me in sending you much love and much more love. We all would love to convey our love to all Avatar Abiders provided it is not burdensome to you.
Yours lovingly, Eruch
