16-1-1971

Our very dear Francis,

We, your family, in  
Meherazad remember you most lovingly  
and send you much love.

The many years we  
spent together with the Beloved God-Man  
make us feel the absence of your Companion-  
ship in many ways. But if remembrance  
were presence, you are with us all the more!

With fond memories  
of our days at  
Pratar's Abode
