

Incherazad
12th Feb 1972.

My dear Francis,

Your cable for the Amar-Tithi was received and most heartwarming shared with all present for the occasion. {Amar = immortal = eternal. Tithi = date} Amar Tithi = Eternal Date. There were at least five Australians for the Amar Tithi - including Ena Kemman, Jim Miskias and his girl friend Elizabeth. The Amar Tithi was a glorious event in the love of beloved Baba. 30th & 31st January passed in complete remembrance of Baba. There were over 90 from abroad - two had come from Japan. So many of the old groups in India asked me about you and your well being. Jim also played the tape he brought of the Celebration at Avatar's Abode. Peter Townshend of the WHO Group also participated during the Amar Tithi observance. He sings the Bernardinar Prayer so well. One of his long Records has the Prayer recorded for playing the public. Your letter of 2nd Feb was very happily received, read and re-read by all at Meherazad, Meherabad and by Aoli. We all jointly send you, dear Francis, much love and a most lovingly thank you! for giving us all the news - real good news of Avatar's Abode and Francis' activities! Beloved Baba be Praised!! We feel so proud to hear the

developments taking place at His Abode. No better (and most appropriate) name could have been given to the property, "Meher Holding" is very appropriate indeed! Bhan says that at present he is sorting out details in sequence and it might take him another two years to begin the work in right earnest! By the time you visit us here, Bhan hopes to have the basis on which to base the Book - this is what he told me to write to you. Bal Natu*, Padri, Mansari, Aoli and the rest of your family at Incherazad send you much love. Naja is extremely happy to read all what you wrote about your Book, and she wants you to be rest assured that she will read your Book - if not in her present body, the next will be handy! She is feeling much better. Rano tells me to write to you that it is no use writing us your intention to visit in '72 - you should make up your mind & give us the date and time of your arrival!!! Mani is delighted and very happy to hear that you are coming; "do come," she says, and "come soon," she adds. She sends her love to you and to all the vast Baba-family around you. Poor Kaikobad since past few weeks is not in good shape mentally - from the reports we hear from his family and from the visitors. He has begun to show signs of senility; he says things most irrelevant during the conversations; and, punctuates his talks with his assertions that he is the "GOD MAN" - that Baba has made him the

much love to you dear Francis from your family

"GOD MAN", that he is the Chergeman; that he will soon use his power and walk about once again! I think it is time that he should shed the body and prepare for a new fresh body. Padri is fed up giving explanations to visitors about absurd assertions of our dear old Kaikabad. Sometimes youngsters get false impressions. The latest news is that we struck good water at Meherabad (behind old building) at a depth of 99.5 feet. This has made all trustees very happy. Chagan Master died of heart attack on 14 Feb '72. One more to win the race! You must be keeping very preoccupied with the BOOK you have started to write. Balia is there to give you strength and inspiration - you have had enough proofs of all this in the past! You may send your simple questions to me and I shall do my best to answer them, but this should not come in the way of your visit to Meherabad. You can have some direct time with me while you are with us here. Hope by the time you decide to come here the Trust affairs get more straightened out. If only Kuthumbia Sastry could realize how petty his claims were and stoped playing with the Name of Balia everything could end happily! While we are at the Trust Office five days a week - Meherabad, Meherabad, Meherabad, Meherabad, Meherabad. But the Gendri, Balia are with the visitors for the whole day. Visitors rush to Meherabad for the whole day on Saturdays and Sundays. So Balia keeps Mandali are at home on week-ends. So Balia keeps us all extremely busy on all the SEVEN days of the week. His will be done!!! You can coincide your coming to India after you have gone round the States and U.K. etc. Why not accept their invitations and deliver the goods & then come here before coming to Australia.
