

Letter: Ruth White to Mani January 9 1960

January 9, 1960

Dear Mani ~~Edgell~~:
Stay With God,
The splendid book (autographed by
Beloved Meher Baba has reached me, and I
have read it through with deep interest, and
will re-read it many times, here on the verandah
where our Beloved tread so often. We are
all very happy here--how could it be otherwise
living in the abode He blest with His Presence?

Kitty is absent for the time being, but
will return soon. Here in the household are
Elizabeth, Sadie, Bessie and myself, and each
and everyone send their loving greetings
to Baba and all those surrounding Him.

Lovingly yours,
Ruth White

P.S. Margaret and Jane were here for Christmas
and New Years. The children had Christmas
eve dinner with us and tree next morning,
then their Grandfather came and took them
to Durham for remainder of their vacation.
