

Note to Deshi from Francis July 30, 1962

July 30/62

Deshi,
 Thank you for your letter & your enthusiasm in my participation of India.
 I am so glad to be being recognized as a participant.
 For you are "extremely" grateful X - - - - - "appreciated", that's what I,
 for my part, will have been grateful in a simple way if you let letter
 me to go further in time - for you had mentioned all my interests, reason for
 suggesting I like to go even so that I all see a new world. I've been told
 X a K. is.

Now you can enjoy a feeling of gratitude eternally - but I am still
 ignorant of what a K. is. I'm sure it's a beautiful thing. E. M. from F.H.
